Register a free business account Please try your search again later. To maximize engine life, meet original equipment specs and provide full warranty coverage. Click here to make a request to customer service. Amazon calculates a product's star ratings based on a machine learned model instead of a raw data average. The model takes into account factors including the age of a rating, whether the ratings are from verified purchasers, and factors that establish reviewer trustworthiness. Please try again later. nibbles 4.0 out of 5 stars A lot of different engine configurations are covered. So you'll often spend a lot of time trying to determine which tiny portion of a chapter applies to your model or whether they expect you to wing it looking at something similar. Its all black and white pictures too, but its certainly useful for torque specs and issues with governors on an Intek engine. Just a ton of information in every area of engine repair. I enjoy working on small engines and this just adds to the knowledge base one needs to understand and correctly fix these engines. I received a manual that I cannot use, and they havent responded to my inquiries for a return.

[yuseigachi.nl/wp-content/plugins/formcraft/file-upload/server/content/files/16271d534adf45--braun-hand-blender-4172-manual.pdf](http://yuseigachi.nl/wp-content/plugins/formcraft/file-upload/server/content/files/16271d534adf45--braun-hand-blender-4172-manual.pdf)

I found the manual part number I needed through a small engine repair forum, did a search on Amazon with that part number, and ordered this manual from a different supplier on Amazon. It arrived today, and its just what I need. It covers my engine model, has clear descriptions and illustrations, and includes specs such as torque and capacities. I can finally start repairing and maintaining my old Murray lawn tractor! They have very good descriptions and pictures. Do not buy if you are looking for machine repair. This is a great manual, This is the best price that I could find and

it solved my problems with all of my small engines.I rebuilt an Intek single cylinder with it. All the torque specs and important step by step instructions.Would recommend to anyone.Sorry, we failed to record your vote. Please try again Sorry, we failed to record your vote. Please try again.
