And those who have played it definitely find this title extremely fun and addictive. But at the same time, the problem that you have to overcome to play the game has always been the main reason why this Final Fantasy game does not get the attention it deserves. With Square Enix, you decided to reboot this old title into a remastered version for PS4, Switch, iOS, and Android, which means that you can now enjoy this amazing game on your mobile devices. And this time, let's hope the game isn't so complicated anymore. Let's take a look at this latest installment in the famous Final Fantasy JRPG franchise in our reviews. What is Final Fantasy Crystal Chronicles Remastered Edition? The game is essentially a spinoff game that takes place outside of the original Final Fantasy series. Presenting unique gameplay unfamiliar to traditional Final Fantasy games, Final Fantasy Crystal Chronicles Remastered Edition offers an enjoyable experience for Android gamers without breaking the spirit of Final Fantasy games. Your adventure begins in a strange world called Miasma, where the lands are filled with poisonous fog. To survive, the people of Miasma settle around the giant crystals, which create a protective shield from the mist. You will join the adventure of young warriors from different clans of Miasma. Together they will discover the secrets behind the poisonous fog and how to get rid of it forever. Features of Final Fantasy Crystal Chronicles Remastered Edition Apk Here you will find all the cool features the game offers: A whole new story to explore For most of Final Fantasy, this game will introduce you to a completely new adventure with new settings and characters. Although it is only a remastering of the 2004 games, most of you have probably never played this game due to its complex and deceptive requirements. With that said, get ready for another adventure with your new friends in Final Fantasy Crystal Chronicles Remastered. Simple but addictive gameplay Although it is quite simple, since the game only consists of a casual and arcade game that takes you from one mission to another. But that's the beauty of it. By not having to spend your time figuring out where to go and what to do next, you can easily focus on the game instead of getting frustrated by it. Also, those who are interested in multiplayer experiences will definitely enjoy Final Fantasy Crystal Chronicles Remastered Edition for its multiplayer features. Join your friends in cooperative play experiences Speaking of which, here comes the hottest thing for your Final Fantasy game. For the first time, you can, your friends can join each other in epic co-op missions. Play the game as a single character in various clans. Find your friends while you go on your missions and form your own squad to face difficult challenges. Begin your journey to save Miasma from the deadly mist. Explore unique battles based in real time And if you want to enjoy something new, Final Fantasy Crystal Chronicles Remastered Edition offers a new combat system with real-time battles. Take part in fast-paced and exciting fights where you and your friends can join forces to deliver devastating blows to enemies. Move freely around the maps while deciding when and where you want to attack. Huge world to discover with many interactive elements In addition, Final Fantasy Crystal Chronicles Remastered also presents players with a huge map with all kinds of interactive and visible elements. Travel to the desert and locate the villages threatened by the mist. Help them collect the drop of myrrh to purify their crystals. Adventure through varied locations with different terrain and environments as you explore the interactive world of Miasma. Choose between different races with varied powers. More Features The game features 4 different races, each with its powers that are unique to the others: Clavat: Clavats are a human-like race that sits west of the Jegon River. Its economy is primarily dependent on agriculture, which explains why many of the Clavats you come across will be farmers. However, these people are also quite talented in battle, as their magicians often have good defenses and powerful magical abilities.Lilty: Although they may appear small and harmless, Lilties are powerful warriors who excel in both physical attack and defense. However, they are not good spellcasters by any means.Yuke: Yuke are humanoid creatures with winged hands. They always wear helmets and even have a real pair of wings on their back. Your Yuke warriors tend to have good magical powers, so it is best to have them as your mages.Selkie: Like the Clavat, the Selkie have features almost identical to humans. However, they are generally distinguished from Clavat by having silver hair. Your Selkie warriors will be good attackers thanks to their powerful attacks and short charge time.Many weapons and items to equip and combineAnd to help your characters gain advantages over their enemies, you will have the opportunity to explore many different items and weapons that you can equip or combine. Select your favorite heroes and equip them with your most powerful weapons. They will be extremely capable during battles.
